

Volunteering with Operation Sight

STEP BY STEP

1

REGISTER ONLINE

Register on our volunteer page at ascrsfoundation.org

An Operation Sight staff member will reach out to you within 3-5 business days to schedule a call.

2

PATIENT APPLIES FOR CARE

Operation Sight **sources and screens applying patients** for eligibility per program requirements.

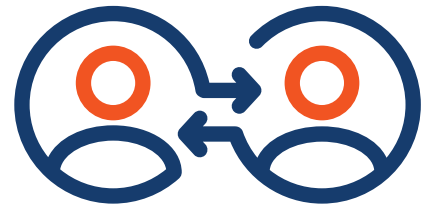

Your practice can refer patients in need to apply for the program, and they can be screened and referred to your practice (if approved) for surgery.

3

PATIENT & VOLUNTEER MATCH OCCURS

Operation Sight staff will reach out to **match you with an approved patient**. It's always at the volunteer's discretion to accept the charitable surgery.

If accepted, the practice will schedule the patient for evaluation and manage medical scheduling.

4

CHARITABLE CATARACT SURGERY IS PROVIDED

The volunteer practice will provide the patient with **charitable cataract surgery** and associated appointments/care at **no cost** to the patient/program.

Update Operation Sight staff with the patient's surgery dates.
